GENERAL INFORMATION:

La 34ème Charly Gaul is a **cyclospor-t-race** or Gran Fondo (cyclospor-tive) authorized by the Fédération du Sport Cycliste Luxembourgeois (FSCL). The race is open for every cyclist older than 14 years. Since 2008, start and finish of La Charly Gaul are in Echternach the course is tough with trips through the North of the Country and the region called Little Switzerland, in the East of Luxemburg. The different climbs on the course have been used many times by Charly Gaul on his training rides, a long time ago, and they are there to remind us of the biggest victories of the climber, who has also participated a few times in the event. Just like in the past, two courses will be available, the longest one measuring about 150 kilometers and the shorter one around 100 kilometers

Organizer is the ACC Contern, represented by its president Alain Conter, 47, Op der Hobuch, L-5832 Fentange - Tél: (+352) 621 23 16 45 e-mail: acccontern@gmail.com

The race takes place on public roads that are not closed for the traffic and the riders have to respect traffic regulations. The Luxemburg police guarantee the priority on junctions to all the participants that are riding within one hour of the race leaders. The organizer tries to secure the course as much as possible by placing security marshals at important points.

REGISTRATION:

- ✓ on <http://www.lacharlygaul.lu> until Thursday, August 29, 2024 at a **reduced rate**.
- ✓ on Saturday and Sunday, August 31 and September 1st in Echternach at the **full rate**

The backnumber can be received against the signed registration form that you have been sent upon pre-registration. Blank forms will also be available for last-minute registration

STARTORDER (NEW AS OF 2023):

To reduce unnecessary passings in the first kilometers, we want to set up a **start order** on **voluntary basis**. The three levels are COMPETITION ("I want to win and I am able of riding above 35 km/h of average"), SPORTS ("I want to make a decent result and I ride at an average speed of 30 km/h and above") and LEISURE ("I just want to finish and have fun"). **Please play the game !!!** FOR THE SECURITY OF ALL THE RIDERS ...

ARTICLE 7 :

The participants have to fix at the front of their bike the **chip number** that they receive from the organizer. The transponder that it contains helps to establish the classifications and to do controls on the course.

ARTICLE 8 :

Each participant has to cross **the start line** after the official start in order to be listed in the result list. Times are taken at the start/finish line.

ARTICLE 9 :

Following the rules of the ministry for transport, riders that are **more than 1 hour behind the leader** will be informed by a car of the organizer (broom wagon - "FIN DE SURVEILLANCE DES CARREFOURS"). At that moment, the streets and crossroads will no longer be guarded by the police or race marshals, but the riders can of course finish the race according to the traffic regulations. If they do so, they will appear on the result list.

ARTICLE 10 :

Assistance vehicles of any kind are not allowed on the course. Participants that are assisted by external vehicles will be disqualified.

ARTICLE 11 :

Bicycles with **pedaling assistance** (electric or other) are not allowed in the race.

ARTICLE 12 : PROTECTION OF PERSONAL DATA

The ACC Contern collects and registers personal data that the participant (rider or volunteer) transmits in an active way at his registration for "La Charly Gaul". This personal data is used mainly for establishing and editing start lists, result lists and diplomas before, during or after the competition. The data is also used to establish task lists for volunteers as well as statistics on age, gender or geographic origin of the participants, to contact the participant in case of problem and to send him informations related to "La Charly Gaul" or other events organized by the ACC Contern.

By providing his personal data, the participant authorizes the ACC Contern to use them and to transmit them to third parties for the above cited use. In no case is the ACC Contern allowed to provide the data to third parties for other reasons than the ones cited above. The persons whose personal data is collected by the ACC Contern have the right to obtain informations about the saved data. They can ask a copy of the data or require modification or deletion of it. They can also deny or impose some restrictions to the use of the data.
