!!! ATTENTION – DANGER !!!

La Charly Gaul takes place on **public roads that are open** to other traffic, and it is unfortunately not possible to design a course without a few dangerous passages, especially on the downhill and in villages or towns. Due to the very precious help of the Luxemburgish police, we are able to guarantee priority to the participants of La Charly Gaul on the entire course of the race. However, the law doesn't enable us to maintain this priority for more than an hour. As a consequence, each participant who is **more than one hour late on the first rider of the race loses priority on the course**.

Hereafter is a **non-exhaustive** list of dangerous points and intersections without priority:
